eKyc Login > then click on complete sign > then clear payment, if pending > then set download key, if eSign is completed.

The screenshot shows the Pro DigiSign eKYC login page. At the top right, there is a link for "DSC Application Status". The main heading is "For Existing User". Below this, there are three input fields: "eKYC ID / Mobile No / Email ID", "eKYC PIN", and "OTP". Each input field has a corresponding eye icon for visibility. Below the input fields are two buttons: a green "Send OTP" button and a blue "Log In" button. To the right of the login form is an illustration of a person signing a document on a tablet, with a "New User Registration" button above it. The footer contains copyright information, version details, support contact information, and a "Privacy - Terms" link.

Click on "Complete eSign"

The screenshot displays a web application interface with a modal window titled "View unsigned DSC Application". The modal contains two red buttons: "View Unsigned DSC Application" and "View Unsigned Subscriber Agreement". Below the modal, a table lists DSC applications with columns for PID, Full Name, and Action. The table shows four entries for Lokesh Magan Kudale. The "Action" column contains buttons for "eSign Done", "Approved", "Send To Checker One", and "Send To Checker Two". The "eSign Done" button is highlighted in blue, and the "Approved" button is also highlighted in blue. The "Send To Checker One" and "Send To Checker Two" buttons are green. A confirmation dialog box is overlaid on the table, displaying a green checkmark, the text "eSign DSC Complete", and an "OK" button.

PID	Full Name		Action

Set Download Key

Download Key* 

[Submit](#) [Download Utility](#)

Download Key has been set for this PID and ready for download.

Now open DSC download Utility (Download Process is similar as previous).

Enter "PID number" and "Download Key" for downloading DSC.

A screenshot of a software window titled 'Pro DigiSign'. The window has a white background and a standard Windows-style title bar with a small icon on the left and minimize, maximize, and close buttons on the right. The main content area features the 'Pro DigiSign' logo at the top left. Below the logo, there are three input fields with labels: 'mToken' (with a 'Refresh' button to its right), 'PID', and 'Download Key'. At the bottom center, there is a large blue 'Proceed' button. In the bottom right corner, the text 'version 1.3' is displayed. The window is set against a light blue and white gradient background.

The advantages of using ProDigiSign

- ◆ **Special mToken Rates :** _____
Continue purchasing mTokens at your previous special rate without any changes to the token business. This allows you to earn more profit, and as a business partner, you can set your own resale prices. Tokens are not mandatory in the new DSC model, so you can purchase them from any source and continue your DSC business.
- ◆ **DSC Process with BP Code :** _____
As a ProDigiSign business partner, you can share a URL with your own BP code for the DSC process, allowing for easy and personalized digital signature certificate (DSC) transactions.
- ◆ **Partner and Dealer Management :** _____
You have the ability to add and create new partners or dealers for the DSC business, expanding your network and business opportunities.
- ◆ **Flexible Payment Options :** _____
There is no requirement for bulk purchases, and payments can be made on a one-to-one basis. You can make payments individually after the DSC is approved and before it is downloaded, ensuring a straightforward and manageable payment process.

Thanks for choosing ProDigiSign Services.

We appreciate your valuable co-operation & support.
