

How to Apply Aadhar offline based DSC ((No need to show documents in video))

- ❖ `Click on Apply Offline Aadhar based DSC button in ProDigiSign Login

The screenshot shows a web form titled "Upload Aadhar Xml File". It contains a note: "Note: Dont have an Aadhar file? [Click here](#) for downloading offline Aadhar xml file." Below the note, there are two main sections: "Aadhar Xml OR Zip File" and "File Share Code (4 digit share code)". The "Aadhar Xml OR Zip File" section has a "Choose File" button and a text box containing "No file chosen". The "File Share Code" section has a text box labeled "Enter XML Share Code" and a blue "Go" button. A green "Proceed" button is located below these sections. A blue arrow points upwards from the "Proceed" button towards the "Click here" link in the note.

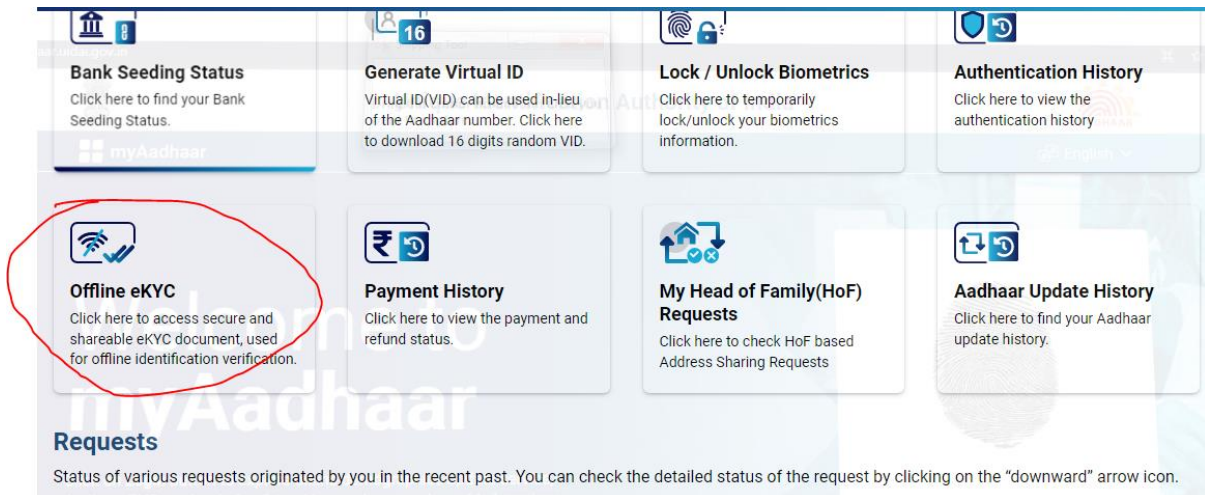

Now click on "Click here "

How to download Aadhar zip file

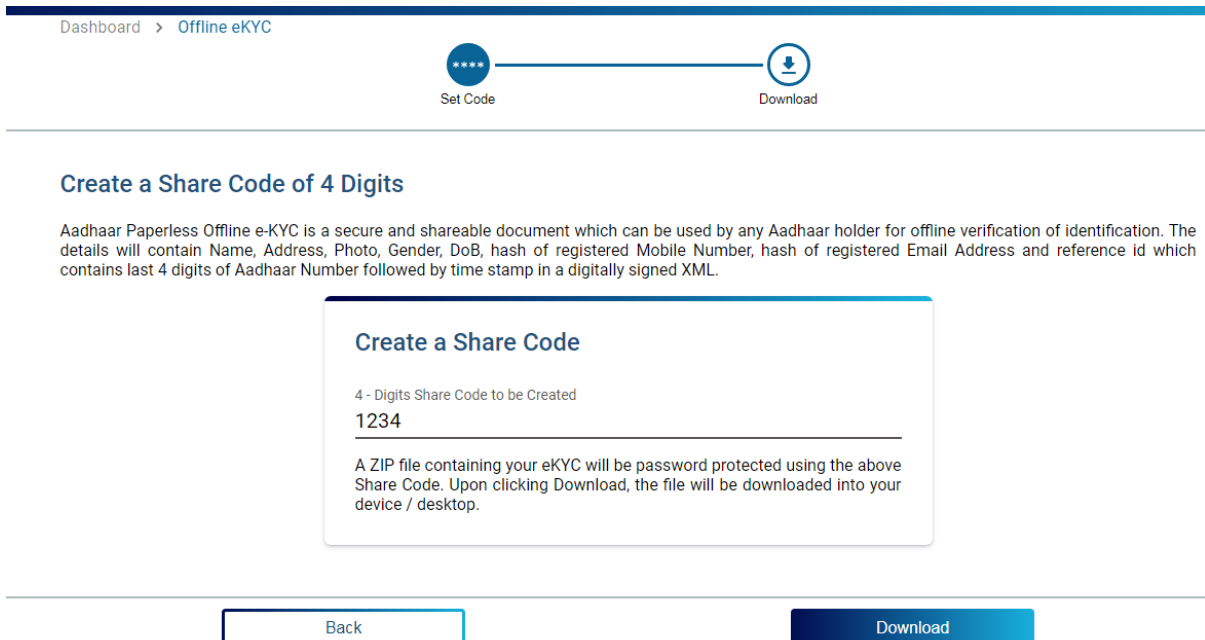

- <https://myaadhaar.uidai.gov.in/> open this link and click on Login Button.

- After click on Login Button enter Aadhar number and Captcha then click on Send OTP button. OTP will go to Aadhar registered mobile
- Enter aadhar OTP and click on Login button

- Now click on Offline eKYC

Now create a 4 digit share code (ex - 1234) and click on download button, now aadhar zip file will be downloading.

Upload Aadhar Xml File

Aadhar Offline
